➤ SKILLS

➤ KEY PROJECTS

E-COMMERCE WEBSITE

Built an enterprise level React application and deploy to production. The app is built with cutting-edge technologies and features a user-friendly interface that makes it easy for customers to browse through products, add them to their cart, and make secure payments.

FACE-DETECTION APP.

Built a face recognition app where frontend, servers, and databases communicate and how they all fit together in the eco system.

Hard-working web developer ,I am committed to creating innovative and efficient solutions that exceed expectations. With a proven track record of delivering high-quality web applications, including an Ecommerce webapp, Face detection web-app, and a handmade goods website for an NGO, I have honed my skills in UI/UX design, and project management. In addition to my technical expertise, I am an active member of the web development community, regularly attending meetups and hackathons to stay up-to-date with the latest trends and technologies.

PROTFOLIO

I have also implemented responsive design to ensure that the application is accessible on all devices. Through this project, I have gained valuable experience in utilizing third-party APIs, implementing responsive design, and troubleshooting complex technical issues.

➤ INTERNSHIP

PR MANAGMENT PRIVATE LTD.

14th AUG 2022-15 SEP 2022

- As an assistant project manager intern at PR management private ltd. I had the opportunity to work on their website and contribute to the company's online presence. During my internship, I collaborated with a team of developers and designers to update and optimize the website, ensuring that it was user-friendly, responsive, and met industry standards. I also played a key role in project management, including task tracking, issue resolution, and automating the processes.

➤ VOLUNTEER EXPERIENCE

During my time at Tenderheat NGO, I had the opportunity to contribute to a variety of impactful projects aimed at improving the lives of underprivileged communities and support their mission by enhancing their website for their handmade products.
